

POWER PRO 2-in-1 Dishwashing Liquid

WASHING

WHY USE THE POWER PRO DESCALER-DEGREASER?

- *Over the time, grease and limescale make deposits within the dishwasher and damage it. By using, Power Pro Descaler-Degreaser once a month you will make your dishwasher a successful machine.*
- **Degreaser function** *Eliminates grease in the tank and the filter. Removes even hard to shift deposits.*
- **Anti limescale function** *The Power Pro Liquid encourages quick and effective descaling and prevents limescale build up in your machine.*
- **Canalization protection** *The formula takes care your canalization.*
- *No need to add dishwashing cleaning products.*

EASY TO USE !

INSTRUCTION FOR USE

- 1/ *Remove the sticker from the cap but do not take off the cap.*
- 2/ *Put the bottleneck downward in the cutlery basket.*
- 3/ *Set the empty dishwasher to the desired cycle (minimum 65°C).*
